Contact No.- 7379783089, 7974243298

E-mail ID- hodlibrary@malwanchaluniversity.in

Last date of Registration: 22th Nov, 2024

Invitation

We are pleased to invite you to the Two-Day National Training Workshop on “**Research Methodology and Data Analysis Using SPSS Software**,” organized by the **Index Institute of Management Arts & Sciences**, Faculty of Library & Information Science, **Malwanchal University, Indore (M.P.)**. The workshop will take place on **November 23-24, 2024**.

About Malwanchal University

Malwanchal University is part of Central India’s largest medical education group and operates across two universities. It offers an enriching academic experience on a modern 65-acre campus, approved by the UGC & NAAC. The university hosts over 8,000 students and 3,500 faculty and staff, providing access to more than 50 advanced labs and opportunities for in-house job placements. Students also benefit from convenient transportation, hostel facilities, and a vast alumni network, making Malwanchal University a top choice for quality education.

About the Group

Established in 2016 by Mayank Welfare Society, Malwanchal University encompasses the Index Group of Institutions and aims to be an educational hub for innovation and research in central India. It offers a wide range of programs, including Medicine, Dentistry, Paramedical Sciences, Physiotherapy, Pharmacy, Business Management, Hotel Management, Hospital Administration, Library Sciences, Agriculture, Law, Nursing, and Human Sciences.

Key highlights include:

- Curriculum aligned with industry needs and the New Education Policy 2020
- Access to R&D facilities for students
- A blend of theoretical and practical knowledge
- Lectures by industry experts and visiting faculty

About the Central Library

Malwanchal University's Central Library, with the motto "Seek Knowledge, Seek Truth," is a well-stocked resource centre with textbooks, reference books, technical journals, periodicals, and competition materials. The library is connected to national and international networks via the internet and LAN. Each department also has its own library, linked to the Central Library. The Central Library supports academic excellence by providing "Anytime, Anywhere Access" to information. It includes a reading section for general study and a reference section for specialized materials like books, journals, periodicals, CDs, and current affairs magazines.

About the Department of Library Science

Established in July 2022, the Department of Library Science offers excellent facilities for education and research, with programs including B.Lib.Sc., M.Lib.Sc., and Ph.D. in Library and Information Science.

About the Workshop

SPSS (Statistical Package for the Social Sciences) is a software widely used for statistical analysis. It allows users to input data from various file types and create tabulated reports, charts, descriptive statistics, and conduct complex analyses.

Why is this workshop beneficial for research scholars?

Research scholars who are strong in their core subjects but less familiar with statistical software will find SPSS particularly useful. SPSS offers an easy-to-use, drag-and-drop interface that supports both basic and advanced statistical analyses. This software simplifies the analysis process, helping researchers generate accurate results and graphical representations from their data.

Registration Fee & Accommodation

- Link for Registration
https://docs.google.com/forms/d/e/1FAIpQLSeI9w-ySQdgUTyvzzLyXd-1_IUKfHsNAoWo_A6On1Z2IcE1XA/viewform?usp=sf_link
- Registration fee: ₹1,000 for Students & Rs1500/- Research Scholars/Academicians- (includes high tea, lunch, and dinner).
