Minutes of the Meeting

A meeting of IEC was called on 11/6/20, Thursday, at 2:00 P.M to discuss the project proposal titled as *"A randomized, double blind, placebo controlled, comparative study to investigate the efficacy of N-Acetyl Cysteine in COVID-19 patients with standard therapy"*.

Following members attended the meeting:

- Dr. D.K.Taneja (Chairperson) – attended meeting online
- Dr. S.M. Holkar (Dean – Special Invitee)
- Dr. Rahul Tanwani (Member, Clinician)
- Dr. Suraj Tripathi (Pharmacologist and secretary, SEC – Special Invitee)
- Dr. Aarti Sahasrabudhe (Member Secretary)
- Dr. A. Manchanda (Special Invitee – Clinician)
- Dr. V.K. Arora (Clinician) - attended meeting online
- Dr. Rajni Bhandari (Member - Social Scientist) - attended meeting online
- Mr. K.S. Thakur (legal expert) were provided the detailed copy by the email and they attended the meeting on line
- Dr P.Nyati (Member, IEC), Dr. Harshda Shah were Study Investigators and Dr. Neha Jaiswal was Research Associate for the study.

Declaration of Conflict of Interest by Dr. Prem Nyati was done as he being the investigators for the study and also a member of IEC, will be present for the study review and will not vote for approval of the study.

This proposal was already discussed and rectified by the Investigators as per the suggestion given by Scientific Evaluation Committee of the Institute.

The proposal was presented by Dr. Neha Jaiswal and thoroughly discussed by the committee. Following suggestions and rectification were recommended:

- N-Acetyl Cysteine being a well known and safe nutraceutical, there is no ethical issue to go ahead with this study since it is not a drug trial.
- Size of samples should be modified. Number of patients in pilot study could be around 100 (50 in each group) and for the main study 500 (250 in each group).
- In view of the data of other studies of N-Acetyl Cysteine in COVID-19, dose of 600 mg per day may be changed to 600 mg twice a day with no problem in safety issue.
- How the drug will be stored? It should be clearly mentioned.
- The process of informed consent should be clearly documented.
- Approximate budget should also be provided with the proposal.

With no other matter to discuss, the meeting was adjourned and the applicant was advised to resend the proposal after necessary amendments.

It is admitted that the approval of all these projects is being given since all of them are of non-regulatory nature. They are for academic and research purpose. This is in compliance to the notification by DCGI, CDSCO, vide file N0.12-01/14-DC (pt.47) dated 10/11/15.

INFORMATION ITEMS:-

EC Chairperson and other EC members were duly informed about the information noted below and approval were sought for the same:-

1. EC Member, Mr. Dhan Singh Patel (Layperson) is educated upto 5th standard only and cannot understand English language properly hence he would not be able to understand GCP training which is mandatory training for EC members and would not justify his role of EC member (representative of common people) who reviews consent documents in order to protect the rights and safety of patients. Hence, he has been replaced by another female member (layperson) Ms. Snehlata Upadhyay.
2. Dr. S. K. Nema, EC member (Basic Medical Scientist) has retired from Index medical College; hence he also resigned from the committee.
3. Dr. Swati Rajpurkar, EC member (Clinician) has not undergone GCP training, hence resigned as EC member and in his place Dr. Sudhir Mourya has been appointed as member (Clinician).
4. Two new members have been appointed in the Ethics Committee who has attended this meeting as an observer to be trained as per SOP requirements. They are Dr. Sudhir Mourya (Clinician) HOD & Professor - Department of Internal Medicine and Mrs. Snehlata Upadhyay (Lay Person). They have been appointed as EC members as per our EC membership list effective date 01 February 2021.

Since there were no queries for the above information, Ethics Committee meeting concluded and also approved the appointment of new EC members to the committee.

The studies that were reviewed during the EC meeting were approved as all the projects are of non-regulatory nature. They are for academic and research purposes with no involvement of any newer drug as per drugs and cosmetic rules.
