Structure and Mechanism of Internal Quality Assurance Cell

Committed to maintaining its educational standards, Malwanchal University established the Internal Quality Assurance Cell (IQAC) on **14/08/2021**, with the aim of institutionalizing processes for enhancing and sustaining quality across various domains. Over the past decade, the university has proactively worked to capitalize on its strengths and build upon its accomplishments.

Recent shifts in higher education, challenges posed by globalization, underscore the imperative for Higher Education Institutions (HEIs) to actively participate in establishing and implementing quality benchmarks across all facets of their operations.

The IQAC serves as a central hub for devising quality plans that pertain to both faculty and students of the university. As William A. Foster aptly stated, "Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skilful execution; it represents the wise choice of many alternatives.

Vision:

The vision of IQAC is to cultivate a system of deliberate, consistent, and catalytic improvement in the overall performance of the institution, ensuring it stays updated with quality sustenance activities.
