About College

Index Nursing College, Indore(M.P.) was established under the aegis of Mayank welfare society in September 2007 and the college has successfully completed 17 years of its existence with the mission to be a leading edge nursing educational institution devoted to prepare post graduate, under graduated and diploma nurses to provide multidisciplinary and integrated health services to clients globally .Index Nursing college is constituent unit of Malwanchal University, Indore (M.P.)

Overview of Topic

Nursing has evolved and there is a paradigm shift globally. It is a change from a humanitarian service to professionalism. The compassionate aspect of nursing is no longer a virtue but a professional principle with scientific reason. The professional (registered) nurse needs to possess the necessary skills and competencies in discharging her duty to the society. These skills are acquired through professional development, clinical experiences and educational advancement. Nursing is an integral part of medical care system. It is the art of caring sick people with the science of health care and believed to be one of the noblest jobs in the world. This domain of work is particularly women specific. At the initial level, nurses are required for the bedside care of patient. At the senior level they are required to manage special group of people like psychiatric, pediatric, intensive care patients etc which required specialized skills. Besides these they are also involved in dispensing medication, keeping records of the patient's progress, setting up and operating medical equipment, administration and several other routine works.

Objectives

After the completion of value added course, the students will be able to gain knowledge in Job opportunities regarding :

- Discuss Critical Care in Obstetrical Nursing
