

PG Orientation programme – Batch 2023 : Report

A three day's orientation programme of new PG students of 2023 batch was conducted in Index medical college from 30th Oct to 1st Nov 2023.

It started with introduction session, followed by the address of *Dr G.S. Patel* (Dean) and *Dr Swati Prashant* (Medical Superintendent) to the newly admitted post graduates students, which made them aware of their duties and responsibilities during their residency period.

On second day of this event, all PG students were welcomed and addressed by Hon. Chairman Sir, *Shri Suresh ji Bhadoria*.

During all three days, faculties of various departments delivered short lectures on some important topics.

Dr B K Agrawal (P.G. Director) made the students aware of various guidelines like attendance, synopsis, thesis, log book, exams etc. during residency period.

How to prepare synopsis & thesis was very well explained by *Dr Aarti Sahasrabuddhe* (Prof & Head, Community medicine).

Dr S R Bamne (Professor, Physiology) informed the residents about the facilities, rules and regulations of hostel in college campus.

Importance of proper methods of biomedical waste management was explained by *Dr Sachin Mishra* (Asso Professor, Microbiology)

Dr Rahul Tanwani (Professor, Surgery) explained them about the importance of appropriate communication with patients during & after their residency life.

Common errors and precautions while sending pathological samples were explained by Dr V K Jain (Professor, Pathology)

Similarly, the hazards of committing such errors during demanding & transfusing blood to the patients were highlighted by *Dr Rahul Karode* (Asst. Professor, Pathology)

Proper method of writing a rational prescription, a need of the hour to eliminate the errors was explained with interesting examples by *Dr Prem Nyati* (Professor & Head, Pharmacology).

Methods of handling different types of stress in postgraduation period were nicely explained by *Dr Ramghulam Razdan* (Professor & Head, Psychiatry).

In final session of this programme, *Dr Sunil Jaiswal* (Asst. Professor of Pathology, MGM Medical College) enlightened Sahaj Yoga meditation and students practically experienced its effect under guidance of his team.

Whole event was programmed and conducted by Dr Prem Nyati & Dr Rahul Tanwani and was appreciated by Dean, faculties and students.
