MALLWANCHAL UNIVERSITY
INDEX INSTITUTE OF PHARMACY

Report on world pharmacy day

Date: 28 sept. 2023

In index institute of pharmacy was celebrate a world pharmacy day on 25/09/2023. Speaker of the event Dr. Mohan Agrawal and Dr. Javed khan Pathan.

The World Pharmacy Day, celebrated on September 25 every year, serves as an important occasion to recognize the significant contributions of pharmacists in healthcare. This day is an opportunity to highlight the vital role pharmacists play in ensuring public health, improving medication safety, and advancing patient care. The theme for this year's World Pharmacy Day was "Pharmacy: Innovating for a Healthier World," emphasizing the ongoing evolution of pharmacy practice and the increasing need for innovation in the healthcare sector.

At our pharmacy college, World Pharmacy Day was celebrated with great enthusiasm and participation from both students and faculty. The event began with a formal opening ceremony, where the importance of the pharmacy profession was highlighted by the Dean of the college. The ceremony featured a keynote address by a renowned pharmacist who spoke about the advancements in pharmaceutical sciences and the role of pharmacists in shaping the future of healthcare.

Following the opening ceremony, a series of activities took place, including interactive seminars and workshops. These sessions focused on topics such as the importance of pharmacists in medication management, the emerging role of pharmacists in public health initiatives, and the future of pharmaceutical care. The students had the opportunity to engage in discussions, ask

questions, and learn from industry experts about new trends and challenges in the pharmacy field.

A special segment of the celebration was dedicated to a poster competition, where students presented their innovative ideas related to pharmacy practice, patient safety, and the future of the profession. The creativity and knowledge demonstrated by the participants were impressive and showcased the passion and commitment of the next generation of pharmacists.

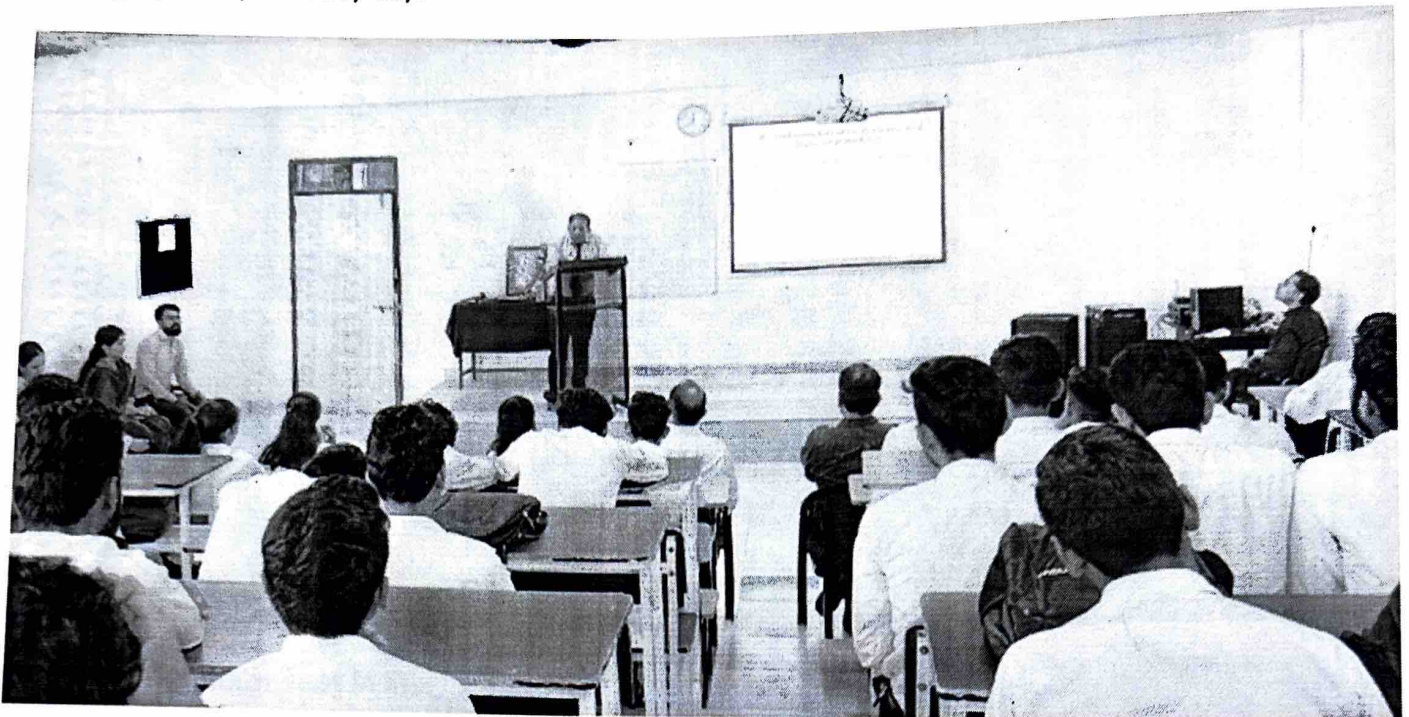

The day concluded with a networking session, allowing students to connect with alumni and professionals from the pharmaceutical industry. This provided valuable insights into career opportunities and the diverse paths available within the pharmacy field.

Overall, World Pharmacy Day at our college was a successful celebration that not only honored the contributions of pharmacists but also inspired students to continue striving for excellence in their studies and future careers.
