The Topics for the meeting were as follows:

1. Types of leaders.
2. The Fundamental of Leadership skills.
3. Important roles of a leader.

Day first started with introduction on the Leadership and types of leaders.

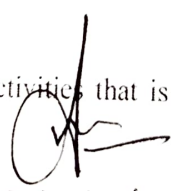

Leadership: Leadership is a process by which an executive can direct, guide and influence the behavior and work of others towards accomplishment of specific goals in a given situation.

Success of a leader depends upon his qualities and characteristics

He mentioned about the types of leaders:

1. **Autocratic leaders:** Autocratic Leadership is a management style wherein one person controls all the decisions and takes very little inputs from other group members.
2. **Democratic leaders:** Democratic Leadership, also known as participative Leadership or shared Leadership is a Leadership style in which members of the group participate in the decision-making process.
3. **Functional leaders:** The person in a group who performs the activities that is associated with being the leader.
