VISION

Malwanchal University sets high standard for high quality sciences and Liberal Arts education. We impart world class knowledge, training and professional experience to students and professionals interested in making a career in Health and Technical Sciences, and other subjects related to humanities. For this, we are committed towards creating and sustaining the conditions that enable students to experience an unparalleled educational journey that is intellectually, socially and personally transformative and wedded to human values.

MISSION

The mission of Malwanchal University is to provide quality education and training in all its courses with the state of art infrastructure. We fo this through our commitment to the transformative power of education. Our students embark on a journey of intellectual transformation with the exposure to new ideas and new ways of understanding. Our constituent units ensure proper intellectual environment and help students in their academic performance. We expose our students to the ground level and related education and expertise with the need of the society. We cultivate talents, value and learning with which they can best serve the world.
