MALWANCHAL UNIVERSITY
INDEX INSTITUTE OF PHARMACY

2023-2024

4.1.1- The Institution has adequate physical facilities for teaching –learning, skills acquisition

The institution provides comprehensive and well-maintained facilities that align with regulatory standards to support effective teaching-learning and skills acquisition. Spacious, well-ventilated classrooms equipped with modern furniture and audio-visual aids create a conducive learning environment. ICT-enabled classrooms enhance the teaching experience with tools like projectors, interactive boards, and internet connectivity, fostering dynamic and interactive learning.

The seminar halls are equipped with state-of-the-art audio-visual systems and ample seating capacity, ideal for conferences, workshops, and guest lectures. Laboratories are well-furnished with advanced instruments and apparatus, catering to diverse disciplines such as Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmaceutics, Pharmacology, and more, ensuring hands-on practical learning.

For clinical learning, the institution has tie-ups with hospitals and healthcare centers, providing exposure to real-world scenarios. Additionally, skills labs are designed to simulate healthcare environments, offering practical training in pharmaceutical and clinical skills.
