Introduction:

On 05/07/2024, Index Institute of Dental Sciences organized a program centered around the theme "Viksit Bharat," aimed at fostering awareness and critical thinking among students about the development challenges and opportunities in India. The campaign seeks to galvanize national consciousness and collective action towards achieving key developmental milestones across various sectors including economy, education, healthcare, infrastructure, environment, and governance. Emphasizing innovation, inclusivity, and sustainability, Viksit Bharat aspires to propel India towards becoming a global leader while ensuring that the benefits of progress reach every corner of society. The program included a series of events such as debates, quiz competitions, and essay writing contests, engaging students from various disciplines across the campus.

Event Highlights:

Debate Competition:

The program commenced with a stimulating debate competition where students participated enthusiastically. The topic for the debate was "India as Global Superpower: Dream or Reality." Participants showcased their oratory skills and critical thinking abilities, presenting well-researched arguments on topics ranging from environmental sustainability to social inclusivity. The event encouraged students to delve deeper into the complexities of development issues facing India today.

Quiz Competition:

Following the debate, a quiz competition was held, testing participants' knowledge of India's history, cultural heritage, current affairs, and developmental milestones. The quiz was structured to challenge students intellectually while promoting teamwork and healthy competition. Participants demonstrated their quick thinking and ability to recall information under pressure, making the event both educational and engaging.

Essay Writing Competition:

The highlight of the program was the essay writing competition, where students penned their thoughts on "Vision 2047: Transforming India." Participants explored various facets of India's future development trajectory, proposing innovative solutions and analyzing existing policies. The essays reflected deep insights and creative thinking, emphasizing the importance of sustainable development, technology integration, and inclusive growth.

Participants and Audience:

The program attracted a diverse group of participants from different academic backgrounds, fostering interdisciplinary dialogue and collaboration. Faculty members and experts from relevant fields served as judges and moderators, providing valuable feedback and insights to participants.

Conclusion:

The "Viksit Bharat" program was a resounding success, achieving its objectives of promoting awareness, critical thinking, and proactive engagement among students regarding India's developmental challenges and aspirations. The enthusiastic participation and high-quality contributions from students underscored their commitment to shaping a progressive and inclusive future for the nation.

By organizing such events, Index Institute of Dental Sciences continues to nurture a culture of academic excellence and social responsibility among its student body, preparing them to become future leaders and change-makers in the journey towards a developed India.

Acknowledgments:

We extend our gratitude to all participants, faculty members, judges, and organizers whose efforts and support made the "Viksit Bharat" program a memorable and impactful event.
