MALWANCHAL UNIVERSITY
INDEX INSTITUTE OF PHARMACY

2023-2024

4.3.2-Number of books and reference volumes as well as collection of ancient books, manuscripts, Digitalized traditional manuscripts, Discipline-specific learning resources from ancient Indian languages, special reports or any other knowledge resource for library enrichment especially with reference to traditional systems of medicines

The library houses an extensive collection of resources to support academic and research needs, with a special focus on traditional systems of medicine. It includes 9610 textbooks and over 1,200 reference volumes across disciplines. The library also ancient books and manuscripts, emphasizing the rich heritage of traditional Indian medical systems like Ayurveda, Siddha, and Unani.

Other resources include 20–50 special reports, monographs, and journals focusing on traditional and modern pharmacy practices. This extensive repository supports interdisciplinary learning and helps integrate ancient knowledge with contemporary pharmaceutical sciences.
